Spanish/Dual Language Program at King Elementary

The Spanish/English Dual Language Program is an academically challenging and enriching program for developing linguistic proficiency in Spanish and English. Students enter the program in kindergarten and continue through fifth grade. At the elementary level, there is a balance of both Spanish and English instruction throughout the school day to facilitate early Spanish and English language acquisition and literacy development.

For more information about our program, you can attend the information session on March 19th @ 8:30 am.

Thank you, voters!

A three-year supplemental levy that will maintain current levels of programs and services in Vancouver Public Schools was recently approved by Vancouver voters with 60.51% yes votes. The levy will make up a multimillion budget shortage due to changes in state funding for education.

"I am extremely grateful to this community for providing more than 55 years of continuous financial support for our students and schools," said Superintendent Steve Webb. "This election shows the value our voters hold for the education of our children and youth."

For information about the levy, please visit vansd.org/levy.

Russian:
Спасибо, избиратели!

Трёхгодичный дополнительный налоговый сбор, который сохранит программы и услуги на уровне, предоставляемом Ванкуверским школьным районом в настоящее время, был недавно одобрен избирателями Ванкувера, при этом в поддержку налога проголосовало 60.51% избирателей. Эти средства восполняют многомиллионный дефицит бюджета, который возник в результате изменения предоставляемого штатом финансирования школьного образования.

Programa de español / lenguaje dual en la escuela King

El Programa de Lenguaje Dual Español / Inglés es un programa académicamente desafiante y enriquecedor para desarrollar el dominio lingüístico en español e inglés. Los estudiantes ingresan al programa en kindergarten y continúan hasta quinto grado. En el nivel primario, hay un equilibrio entre la enseñanza de español e inglés durante todo el día escolar para facilitar la adquisición temprana del español y el inglés y el desarrollo de la alfabetización.

Para obtener más información sobre nuestro programa, puede asistir a cualquiera de las sesiones de información el 19 de marzo @ 8:30 am.

¡Gracias, votantes!

Un impuesto suplementario de tres años que mantendrá los niveles actuales de programas y servicios en el Distrito Escolar "Vancouver Public Schools" fue aprobado recientemente por los votantes de Vancouver con un 60.51% de votos a favor. El impuesto suplementario cubrirá un déficit multimillonario en el presupuesto debido a cambios en la financiación estatal de la educación.

"Le estoy extremadamente agradecido a nuestra comunidad por su continuo apoyo financiero para nuestros estudiantes y escuelas," dijo el Superintendente Sr. Steve Webb. "Esta elección demuestra el valor que la educación de nuestros niños y jóvenes tiene para nuestros votantes."

From the King Library!

What's new? The American Library Association recently announced the winners of America's most prestigious literary awards. This year's winners feature a fantastic array of diverse authors and characters. We recently purchased many of these winners for our school library. In March, I'll be displaying these and winners from years past so it'll be easy for our students to find "The Best" in children's literature. If you'd like to find out more about this year's winners, search online for ALA Youth Media Awards 2020.

Sincerely,

Jeri Whitson

FIFTH GRADE STUDENTS!

In music, fifth grade will be working on the Curriculum Based Performance Assessment (CBPA) in March. Students will compose, notate, and perform a creative work. It encompasses everything they have learned since Kindergarten. Once they compose their musical piece, they will play the piece from one of two choices, a xylophone in the music room or their iPad with one of two apps, Easy Xylophone or Garage Band. The CBPA will be measured on a four-point rubric. Students will be able to take a copy of their composition home. Please contact me w/questions.

Sincerely,

Heather Connors (Music)

Teacher Qualification Notice

In an effort to keep parents informed of the qualifications of teacher, the Every Student Succeeds Act (ESSA) allows parents to inquire at school whether their child(ren)'s teacher(s) have met state qualifications and certification requirements for the grade level and subject taught. Parents may inquire whether a teacher is under emergency or conditional certificate through which state qualifications were waived, and they may request information about undergraduate or graduate degrees the teacher holds, including graduate certificates and additional degrees, and major(s) or area(s) of concentration. Parents can also ask about paraprofessionals working with your child in reading, writing, and/or mathematics. We can tell you whether your child receives help from a paraprofessional and whether he/she meets state qualifications and/or licensing requirements. Vancouver Public Schools annually conducts an audit of teacher assignments to assure that no teachers are assigned to areas for which they do not meet Washington State certification and/or endorsement requirements. Only on rare occasion does the District seek a waiver to certification. When this does occur, it is typically for a teacher who is within a few credits of completing the endorsement and is actively working on such completion.
